

Sustainable procurement fact sheet

Purple Key is a creative agency that helps the world's most ambitious change makers define the future.

At Purple Key, we're guided by our unwavering commitment to always do the right thing for our clients, our people and our communities. We believe in taking a holistic approach to sustainability, and we set expectations for our clients and suppliers to act responsibly.

Suppliers are integral to our operations.

We are committed to Social Impact and strive for sustainability across every function, including sourcing and procurement.

Our expectations of suppliers

Our Supplier Code of Conduct describes the standards to which we hold our suppliers. These standards include expectations around the environment, data privacy and confidentiality, health and safety, and prohibitions against discrimination and harassment.

Our Sustainable Procurement Policy details the ways in which we expect our suppliers to aspire to the sustainability standards in their business operations, including, but not limited to:

Business Ethics

- Obey all relevant international and domestic laws regarding ethical business practices
- Demonstrate existence of procedures to prevent unethical practices

Environment

- Comply and adhere to all the applicable environmental laws in respective countries / jurisdiction
- Undertake initiatives to promote greater environmental responsibility

Labor and Human Rights

- Comply with all applicable laws and in accordance with international standards
- Prohibit slavery and the use of forced, bonded, or child labor
- Prohibit discrimination and harassment

Community Development

- Provide employees with a living wage
- Partner with local governments and communities to improve the communities where they operate
